Then in fourteen eighty-five, merchant Glúniairn Gahan purchased Tráinis and Bréifne Castle for fourteen hundred, eighty-five bushels of Tibetan barley. The unusual terms of purchase brought him to the attention of King Henry the Seventh, who made Glúniairn his Procurer of... Tibetan barley.

GAHAN
Down the hall, first door to your right.

TEXAN #2
Much obliged, Earl.

WOMAN'S VOICE
Uh, Mr. Earl?

Gahan turns to TEXAN #3 (20s), sweet honey of a thing, who
looks at the portraits of the pre-1485 owners (Otto, etc.).

TEXAN #3 (CONT'D)
Who are they?

GAHAN
The owners of the castle before it was
purchased by the first Earl Bréifne.

Texan #1 joins them, a chicken leg in one hand.

TEXAN #1
Somebody actually wasted good money on
this moss-ridden pile of rubble?

Before Gahan can react, Texan #1 POINTS at Joan of Arc.

TEXAN #1 (CONT'D)
Who's the cross-dressing dyke?

GAHAN
(tries not to lose it)
That, good sir, was Joan of Arc.

TEXAN #1
"Joan of Arc"? What kind of dumb-ass
name is that? Cross-dressing dyke!

Texan #1 bites the chicken leg, walks away.

and the Duke of Edinburgh are the god-
parents to your son and daughter.

That does it.

GAHAN
That saggy bag of Kraut bones!

FIONA

EXT. PALACE OF THE SOVEREIGN (MENTONIA) - DAY

PEOPLE are LINED UP around the west wall.

NARRATOR (V.O.)

Since the founding of our tiny country, the third Wednesday of every month has been reserved for the people to bring their grievances to the Sovereign directly, known popularly as "Complain to the Management".

INT. PALACE OF THE SOVEREIGN - THRONE ROOM - DAY

ANNE sits on the throne and listens to a MAN and a WOMAN (20s) ARGUE before her.

MAN

I've done it! It takes exactly ten!

WOMAN

He's full of it! It takes at least twenty!

The Man turns to the Woman.

MAN

You're the one who's full of it!

He turns to Anne.

MAN (CONT'D)

She isn't "Faker Phoebe" for nothing!

Anne SIGHS. Asinine as this is, she must do her duty. She motions to a SCRIBE, who holds a TABLET, ready to type.

ANNE

"Let it hereby be known throughout the Kingdom that We, by virtue of Our Prerogative Royal and of Our Especial Grace, will and ordain that the number of licks one must employ in order to arrive at the Tootsie Roll center of the Tootsie Pop is fifty".

She turns to the Man and Woman.

Thank you, Your Majesty.

GEORG

Please state the nature of your business before Her Majesty.

GAHAN

Out of my way, fool!

Gahan blows PAST HIM, and marches up to Anne as Georg tries to catch up to him.

GAHAN (CONT'D)

(peevéd bluster)

I am here... to return your junk!

She GESTURES to Georg: "It is all right", steps off the throne. She motions for FOUR PAGES to join her at the "junk". She OPENS a box, turns to a Page #1.

ANNE

This is the chess set of Sven Sjöstrand. Take it to the Archives.

Page #1 bows, picks up the box carefully, leaves. She turns to Page #2 and Page #3.

ANNE (CONT'D)

Take the rest to my apartments.

Page #2 and Page #3 bow, pick up the boxes, leave. She smiles as she grasps the crate, like an old friend.

PAGE #4

Is it the Guarneri cello, Your Majesty?

ANNE

It is. Take it to the Music Room.

He bows, pushes the dolly away carefully.

GAHAN

Now, be a good girl, and tell that old boot to give me back my titles and my seat in the Lords, and I shall forgive you your debt to me --

 Well, two can play that game, Missy!

He storms off, leaving her baffled.

EXT. PALACE OF THE SOVEREIGN - ROOFTOP - DAY

Gahan, sporting a BLACK EYE, SWAPS OUT MENTONIA'S FLAG for
 the Gahan family flag.

GAHAN
 Take that, bitches!

At his greatest moment of "triumph", the SOUND of an AIR
 HORN BLASTS him OFF the roof.

INT. PALACE OF THE SOVEREIGN - INFIRMARY - ROOM - DAY

In rather-posh digs, Gahan lies in bed, IMMOBILE: broken leg, broken arm, head bandaged.

He pushes a remote. TWO ARMED SOLDIERS OUTSIDE his door open the door for the NURSE (40s). Gahan points to his espresso on a tray.

GAHAN
My espresso is cold.

NURSE
Bite me!

She leaves/door closes behind her. Long pause. Door opens, and Elizabeth and Philip (now 43) enter. Gahan brightens at the sight of Philip.

GAHAN
My son, my son. You do care for your poor, downtrodden Pa-Pa after all.

Gahan looks at Elizabeth.

GAHAN (CONT'D)
Who are you?

PHILIP
It disgusts me even more than it does you, but she is my twin sister.

Maury Povitch POPS OUT behind them, the sheet of PAPER from 1976 in his hands.

POVITCH
And, Your Lordship, you are the father!

Povitch disappears. Pause as they regroup.

ELIZABETH
Be thankful, old man, that my darling daughter does not have you strung upside down, and pelted with rotten Coddle eggs for shits and giggles!

Gahan responds with a frustrated GRUNT.

PHILIP
Now, this is what is going to happen. Upon recuperation, you are going to leave this piddly-ass country, and you are going to seek out Her Majesty, wherever she may be, and beg her forgiveness. Because if you do not, we

The "GREAT UNWASHED" GATHER once again with their prized possessions -- and their CAMPERS/TAILGATE PARTIES. But this time, Gahan, standing with Fiona Bruce on the FRONT LAWN, is only too-happy to receive them.

NARRATOR (V.O.)
